

Our Bridge

Will you build a bridge with me?
I do not think that it will be,
Very far or very long,
(It may not even be so strong).

The bridge I have in mind you see,
Is me to you and you to me,
And so it really does require,
Your help (if it is to transpire).

We've hurt each other in the past,
Let's not let those hurts outlast,
All that you and I could be,
If you will build this bridge with me.
